AGREEMENT WITH PARENT/GUARDIAN OF CAMPER or CAMPER OVER THE AGE OF 18

Disclosure: Camp and the rope challenge courses involves a variety of activities including warm-ups, games, group initiative problems, low high challenge course elements, and other rigorous physical adventure activities. The level of participation in the ropes course is entirely voluntary at all times. Safety measures have been designed into the program (highly trained staff, state of the art equipment, and strict safety standards) to safeguard all participants against possible injury. As with any program of this type, there is a risk which must be assumed by each participant. Your signature also allows student/camper to sleep on the upper bunk.

In consideration of the acceptance of this applicant, I, the undersigned parent or guardian, consent to the applicant's participation in the Labor Day Youth Rally. I affirm my student/camper's health is good, and that he/she is not under a physician's care for any undisclosed condition that might endanger his/her health or that of other participants. I recognize the inherent risk of injury or disability and understand that each participant must assume the risk of physical injury that could result from any camp or rope activity. Further, authorization is given in advance for any adult camp staff member to consent to any medical or surgical diagnosis, treatment, and/or hospitalization which is deemed necessary for the duration of camp. I also agree to be financially responsible for all said treatment.

I acknowledge Daybreak Camp/Labor Day Youth Rally is not responsible for campers during transit to and from camp, nor after the camp concludes at 12:00 Noon on Monday, September 6. I hereby release the camp staff, Labor Day Youth Rally, and Daybreak Camp from liability with this applicant's participation in Labor Day Youth Rally. I understand that I will be required to pick my student/camper up if he/she does not abide by the camp rules.

I have read and understand this agreement. My signature certifies that all medical information given for my child is accurate.
