What's missing?

Did you know?

Unlike many Christian Camps that offer 6-8 week sessions and employ college age staff, Daybreaks summer camp ministries: Adventure Camp , WildSide Camp, Faith Development Camp and Labor Day Youth Rally are designed to be staffed and lead by volunteers such as yourself!

There are several advantages to this staffing model, however, there is a challenge.

Opportunity Advantage

You have the opportunity to come along side campers as a mentor, caring for them spiritually, emotionally and physically, thus preparing and equipping campers in their Christian faith and maturity. Many campers point back to a positive role model they met at camp as one who helped shape and foster their relationship with Jesus.

Heart Advantage

Volunteering may be the best prescription yet for increasing your joy as you serve, fellowship, laugh, break bread and counsel with other adults. Sharing your gifts, talents and time for this ministry will fill your heart .

Affordability Advantage

Because of Daybreak's volunteer staffing model your fee of \$85.00 and your willingness to serve keeps the price of camp affordable for the camper and their families.

The Challenge

Camp simply can not happen without you!

*There are several volunteer positions needed at each camp from kitchen cook to cabin leader!
Please prayerfully consider your place in His ministry through Daybreak Camp ministry.*
